

***Welcome to the
Second
Canadian SMAP
Workshop***

**16-17 November 2010
Canadian Meteorological Centre
Dorval, QC, Canada**

WHERE WE WERE LAST YEAR...

Environment
Canada

Environnement
Canada

Canada

WHERE WE ARE TODAY...

ENVIRONMENT CANADA

Science and Technology Branch
(research: NWP, NEP, data
assimilation)

**Canadian Meteorological
Centre** (development,
operations, computer)

Environment
Canada

Environnement
Canada

Canada

OBJECTIVES of the WORKSHOP

Last year:

Information on current activities, interest, applications

Scope of the project

This year:

Update on participants' activities

Gather information required to complete the Canadian Plan

Planification for start of funded activities

LIST of PARTICIPANTS (I)

Guy Aube	Canadian Space Agency
Stephane Belair	Environment Canada / Meteorological Research Division
Aaron Berg	Guelph University
Martin Bergeron	Canadian Space Agency
Monique Bernier	Institut national de la recherche scientifique - ETE
Bernard Bilodeau	Environment Canada / Meteorological Research Division
Paul Briand	Canadian Space Agency
Brian Brisco	Canadian Centre for Remote Sensing
Francis Caron	Universite de Sherbrooke
Marco Carrera	Environment Canada / Meteorological Research Division
Douglas Chan	Environment Canada / Climate Research Division
Francois Charbonneau	Canadian Centre for Remote Sensing
Jing Chen	University of Toronto
Claude Duguay	University of Waterloo
Dara Entekhabi	Massachusetts Institute of Technology
Donald Fortin	Ministere de la securite publique du Quebec
Vincent Fortin	Environment Canada / Meteorological Research Division
Imen Gerboudj	Universite de Sherbrooke

LIST of PARTICIPANTS (II)

Nicolas Gignac

Kalifa Goita

Steve Iris

Parvin Kalantari

Serge Legare

Ramata Magagi

Ali Mahmoodi

Kyle McDonald

Heather McNairn

Peggy O'Neill

Ramesh Srinivasan

Brenda Toth

Peter Toose

Anne Walker

Libo Wang

Ministere de la securite publique du Quebec

Universite de Sherbrooke

Canadian Space Agency

Institut national de la recherche scientifique - ETE

Ministere de la securite publique du Quebec

Universite de Sherbrooke

Array Systems

Jet Propulsion Laboratory

Agriculture and Agri-Food Canada

NASA Goddard Space Flight Center

Environment Canada / Climate Research Division

Environment Canada / Hydrometeorology and Arctic Laboratory

Environment Canada / Climate Research Division

Environment Canada / Climate Research Division

Environment Canada / Climate Research Division
